

Epicurean Articles By David Glidden

Post by “Cassius” of February 24, 2023 at 10:55 AM

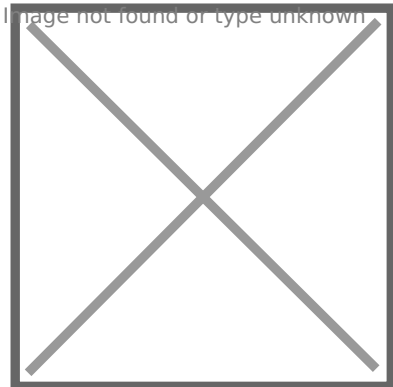

Given that several of us have recently taken an interest in the Epicurean articles of David Glidden, it might be good to have a central thread to collect links.

First, here is the main article that first came to our attention through Don:

[Epicurean Prolepsis](#)

The paper I presented at the SAGP session was NOT the same as my much longer paper that was subsequently published in Oxford Studies, where I had by then...
