Oscar take a look at this page: <http://www.epicureanfriends.com/wcf/index.php?...ation-settings/>

Are you currently receiving any email notifications at all? Come to think of it I am not myself, except for notification of new users. Let me look into the default settings.

Also, at times past I put together a "newsletter" format at my wordpress blog, <http://www.NewEpicurean.com>, but I have not done that for several years. I need to look at restarting that and seeing what can be done through the forum software.
