

Dr. Frans de Waal, Primatologist

Post by “Joshua” of March 1, 2023 at 9:16 PM

Fernando brought up the work of Dr. Frans de Waal in the discussions on primates and the prolepsis of justice, which I wanted to start a thread about since we didn't get into it on the call.

[Moral behavior in animals](#)

What happens when two monkeys are paid unequally? Fairness, reciprocity, empathy, cooperation -- caring about the well-being of others seems like a very human...
