[RE: Confidence in Katastematic Pleasure](#)

I really started down this road in part with the discovery of Metrodorus being quoted in [Clement of Alexandria's Stromata II.131, p. 498](#) which states ([in translation](#))

[...]

The primary source for my contention was simply the title of Metrodorus's book: *On the Source of Happiness in Ourselves being greater than that which arises from Objects*. The Greek title reads: Περι του μειζονα ειναι την παρ' ημας αιτιαν προς ευδαιμονιαν της εκ των...
