[Martin](#) - no, I just visit there every year. Have friends there and in the future want to retire there. Chiang Mai and other places in the north are my hangouts!

[Cassius](#) - thanks for the clarification. I have been reading around and I found this (from Wikipedia - yes I know!) "Epicurus taught that although the gods exist, they have no involvement in human affairs."

Would that be accurate? Do you know why he believed in any gods at all? I am an atheist btw
