This is open to all forum members regardless of previous book review attendance.

So mark your calendars! And let us know if you are interested in attending -- forum members please post here if you are interesting in attending and we will get the Zoom link to you by private forum message.

Note: For previous book review attendees, we will use the same Zoom link as previous weeks.

(For ongoing attendees: the May 28th meeting will cover chapters 17 - 24).
