Update For May 28th -- we will cover the last 8 chapters because we would like to devote the entire session on June 4th to the Q&A with Emily Austin. -- [Onenski](#), [Cleveland Okie](#), [TauPhi](#) that will give us a lot to cover but I think we can do it just fine. 😊

Update For June 4th -- "Meet the Author" -- We would like to have people submit questions ahead of time, and then the moderator will ask Emily Austin the questions. So please go ahead and post all questions in [the new thread we created](#).
