[Quote from Cassius](#)

So yes Greg Sadler's article is a good list of sources - I just don't recommend you follow him too closely on his views on Stoicism. 😊

I've already did my research on Stoicism in the past and I can confidently say it's not for me. I don't regret doing the research, though. And even if Greg Sadler were the incarnation of Lucifer himself, I'd still recommend his article as he did a great job there. 😊
