Studying the Vatican Sayings

Wednesday Night Zoom - 8pm ET

We are born only once and cannot be born twice, and must forever live no more. You don't control tomorrow, yet you postpone joy. Life is ruined by putting things off, and each of us dies without truly living. -- VS 14

Join us as we read and study the Vatican Sayings. Each week we will take one or more of the Vatican Sayings and discuss the meaning and the practical application to living the philosophy of Epicurus.
