

Epicureanism Vs Asceticism

Post by "michelepinto" of March 14, 2019 at 1:15 PM

We agree completely.

Recently I listened an "imaginary interview" with Epicurus on Italian Radio (<https://www.youtube.com/watch?v=9GYXtRv1eE8>). The actor who was interpreting Epicurus said that all the misunderstanding about his hedonism was good because it had attracted a lot of people to his doctrine.

(I know my English is horrible.. forgive me!)
