OK this is a good example of what I am thinking we should do with this project. Bailey seems good, but his "immortal" seems less accurate, and should be "incorruptible." I am entirely ok with a hybrid so long as we document the result.

Don do you agree that "incorruptible" or something like is is more appropriate than "immortal"?

Thank you for all the background info but where do you end up yourself? I see you are questioning the relationship of gratitude but everyone seems to throw that in there so is Bailey basically correct?

Gonna take a long time to go through these and then the Vatican Sayings too but maybe it is a good project to try to focus people on one or two before moving forward.
