

# Cultivation of Friendship within Epicureanism

**Post by “Randall Moose” of August 1, 2023 at 3:33 AM**

So far, my favorite part of this philosophy is the celebration of friendships and community. When I left the church, the first thing I missed was that sense of community. Since 2017, I have made an effort to grow and maintain my friendships.

With that said, I am surprised that there is not more focus on friendships here. Unless I am missing something?
