

Sharing Zoom sessions

Post by “EricR” of August 2, 2023 at 8:52 AM

Hi All,

I was only able to participate in one Zoom call here. It was held on a Saturday, and I was available that particular day. For me, and I suspect for others, evenings are not feasible.

So I was wondering what you think about recording your session and sharing them here. Of course, privacy issues must be handled and the recording should only be available to members here.

Thoughts?
