Post by “Kalosyni” of September 2, 2023 at 6:56 PM

Epicurean Philosophy Happy Hour is coming up Monday evening 8pm - open to all forum members. Let's celebrate summer with an opportunity to share about happy memories or enjoyable experiences (if you feel like it would be enjoyable to do so). Then we'll follow that with open discussion on Epicurean philosophy.

Thanks for the RSVPs so far!
