

# **Would You Rather Live For A Week As (1) Epicurus During the Last Week of His Life or (2) An Anonymous Shepherd Laying In The Grass In The Summertime With No Pain At All?**

**Post by "Cassius" of September 7, 2023 at 1:32 PM**

For me that one is easier I think - I would want to be able to question Epicurus in his most mature and advanced stage of life, so I would say "being with Epicurus during the last week of his life" to ask him where he eventually came down on many of these same issues we are discussing.

And i would probably include the exact question we are discussing from post one of this thread.
