

Philodemus - On Frank Speech

Post by "Don" of September 16, 2023 at 12:36 PM

I had forgotten about this Sedley paper:

[Epicurus and the mathematicians of Cyzicus](#)

Epicurus and the mathematicians of Cyzicus

www.academia.edu

It provides some tantalizing facts about Pythocles but also how the philosophical schools interacted with each other.

Philodemus's On Frank Speech περί παρηγορίας is mentioned on p.46 but the biographical info on Polyaeus and Pythocles is fascinating!
