

Welcome Peter Konstans!

Post by “Peter Konstans” of September 29, 2023 at 4:26 PM

Hello! Glad to be here. In dealing with myself and pondering my place in the world I strive to be a supremely modest person; in dealing with others I strive to be a highly courteous person. I believe Epicureans have the potential to be the most modest and the most courteous people on earth. That's why I came here: to find them and rejoice in their spiritual company.
