

Epicureanism as the spiritual essence or 'religion' of an entire community

Post by “Cassius” of October 3, 2023 at 8:27 AM

Peter I want to say as an aside that it is going to take some time for me to read and follow what you just wrote. Sometimes I am finding what you write agreeable to me, sometimes less so, but I can say with confidence that your contributions are very stimulating and I appreciate the time you are taking in making them.
