

# Epicurean Philosophy Vs. Humanism

**Post by “Kalosyni” of October 23, 2023 at 8:48 AM**

Perhaps this Principal Doctrine has some applicability with regard to Humanism/virtue/ideology:

[PD22](#): "You must reflect on the fundamental goal and everything that is clear, to which opinions are referred; if you do not, all will be full of trouble and confusion."

(a reminder to "not put the cart before the horse").
