[Quote from Eoghan Gardiner](#)

Remember that living an Epicurean life doesn't mean avoiding all forms of pleasure; rather, it encourages the pursuit of enduring and meaningful forms of pleasure while avoiding excessive and unnecessary desires.

How to live the Epicurean life in today's society...or...how to live according to the philosophy of Epicurus -- definitely would be good to create a list. The list should include study the philosophy with a like-minded friend...and other items from the Letter to Menoeceus, the PD's, and VS's.
