

"A Day In The Garden: Epicurus, Hermarchus, Leonteus, Themista, Hippoclidides, Polystratus, and Alexandria" by Genevra Catalano (2023)

Post by "Kalosyni" of October 30, 2023 at 9:33 AM

@Nate, thanks for sharing, very nice! Since the description doesn't say a print of an original oil or acrylic painting, then wondering if these are text-to-image designs?

Also, seeing Epicurus in a red toga got me curious, as I seem to remember reading that philosophers wore white...but I need to find a reference for that (so do not yet have reference source for that).
