

The Philosophy vs. Science Debate

Post by "Cassius" of November 8, 2023 at 9:55 AM

I don't think we currently have a list of articles or references on this point so I will set up this thread to make the topic more searchable.

Here's one article but I haven't even read it to know whether to suggest it or not. However I know we've talked about this in the past and there are probably already good articles people have identified:

[Philosophy v science: which can answer the big questions of life?](#)

Philosopher Julian Baggini challenges physicist Lawrence Krauss over 'mission creep' in the scientific community

www.theguardian.com

I know there is also a relevant youtube debate between Lawrence Krauss and the British philosopher _____ on the "Something from nothing" issue, and we've also discussed Victor Stenger's work on some of these issues.
