

# Philodemus of Gadara - Main Biography

**Post by “Pacatus” of November 30, 2023 at 6:26 PM**

I want to add, as a "late edit" to my last post that the Mr. Monk quote is not an expression of doubt, simply a nod to objective (albeit unlikely) possibility: i.e., recognition that one is not omniscient. In other words, it is not a statement of skepticism (per [Don](#) 's "Epicurean Sage" essay that he linked in post #4 above).
