Join us every first Monday of the month for our **First Monday Epicurean Philosophy Hour** - Via Zoom - at 8pm ET.

This is an informal Epicurean philosophy discussion. We'll start with a meet-and-greet, and then open it up for discussion. On some months we may also give a short presentation on Epicurean philosophy or have a special discussion topic which focuses on the application of Epicureanism to everyday life.

This monthly gathering is a great way to meet others who are studying the philosophy, and provides an opportunity to bring up questions.

If you are a new member, please be sure that you have already introduced yourself over in your personal Welcome Thread (tell us a little about your background or area of interest within Epicureanism, your level of study, or any previous philosophy studies).

If you are interesting in attending, please let us know over in the event thread [First Monday Epicurean Philosophy Hour](#).
