

Welcome Cyrano!

Post by “Cassius” of January 5, 2024 at 3:07 AM

I presume one place to start is to collect some links to where his original works (hopefully translated) can be found. I haven't had time to start looking into what's available on the internet on him or their translation state. And it would be good to hear from [Charles](#) as to whether he knows anything on this topic.
