

Further Thoughts On Science And Epicurean Philosophy

Post by “BrainToBeing” of January 10, 2024 at 5:31 PM

Thanks very much to you, [Cassius](#) and [Martin](#) . Very helpful.

For me these pursuits are primarily just interesting. I'm comfortable with who I am and where my path leads. And, it is not my intent to be a disruptive iconoclast. So, I'll get DeWitt's book and drop out until I have read it.

Best to you. The site you have built and moderate is excellent.

B to B
