

Happy Birthday General Thread

Post by “Onenski” of January 15, 2024 at 4:19 PM

Thank you very much, [Cassius](#) and [Kalosyni](#). This is for me a day of reflection about past pleasures, and an opportunity to be aware of how good is to be alive with very great people such like you, my epicurean friends. ☺

(I must admit too that I like that Epicurus' birthday and mine are so close ☺)
