

VS66 - Problems With Bailey's Vatican 66

Post by “Bryan” of January 31, 2024 at 2:18 PM

Regarding "meditation"(Bailey), "pleasant recollection" (Anderson), "thoughtful concern" (Cook) vs. "taking care of them" (Elli)...

I think everybody is correct! When alive we "care for / look after / attend to" those around us, and when they are gone we "care for / look after / attend to" our pleasant memories of them.
