

Gaius Cassius Longinus' Political Actions

Post by “Novem” of February 2, 2024 at 3:20 AM

I found this [thread on Caesar](#), for additional reference on the other side of the civil war.

I'm also interested to see how Epicureans thought of the Roman Republic and their commentary on Roman politics as something to add to Epicurean sociopolitical thought, like with Philodemus' "On the Good King" which highlights Epicurean virtues for a statesman.
