

Epicureanism as the spiritual essence or 'religion' of an entire community

Post by “Eikadistes” of February 9, 2024 at 6:40 PM

[Quote from Godfrey](#)

Does spirituality imply a spirit separate from the body? Does it imply a god? Does it relate to one's mental well-being, without any supernatural implications?

Of course not. We're Epicureans. Why is this even an issue?
