

Discussion on Philodemus Fragments

Post by "Bryan" of February 10, 2024 at 2:09 AM

Giuseppe Casanova version is a bit more filled out (MS Gr. class. c. 1 94, Oxford):

Duke Databank has:

-πειν; νοητέον δὲ κατὰ τὸν Ἑρμαρχὸν καὶ ἐπισπω-
μ[ένους π]νεῦ[μα] καὶ προΐεμένους τοὺς θεοὺς·

Which seems to mean "It must be understood, according to Hermarchus, that the gods draw in and send out air."
