

Cartesian beliefs on sensory perception vs Epicurean knowledge acquired through the senses

Post by “Cassius” of April 30, 2024 at 7:26 AM

Also - I had forgotten that [Joshua](#) had brought up this very issue - of Descartes - in our recording of the Lucretius Today podcast two days ago. It isn't quite ready for release but when it is I will come back here and point out how Joshua addresses this around the 40 minute mark.
