

# Dealing With Electric Grid Disruption

Post by “Don” of May 12, 2024 at 9:00 PM

[Quote from Cassius](#)

What I think you're talking about is in my mind mainly a tone issue and I agree with your perspective that let's call it "human exceptionaiism" is not at all valid.

Bingo.

[Quote from Cassius](#)

our goal should be to dodge every last one of those meteorites for as long as we can do so pleasurably.

Agreed! Duck and cover! 😄
