

Episode 230 - Cicero's OTNOTG - 05 - Velleius Attacks Misplaced Ideas of Divinity

Post by “Don” of May 26, 2024 at 6:51 PM

[Quote from Godfrey](#)

We do have interoception, an awareness of our internal sensations.

Agreed. Good point. Even there, there still has to be a sensation *of something*.

I should say I didn't want to go down the rabbit hole of some sensor apart from the sensation. The sensation of the stimuli is sensation. No Cartesian duality or anything.
