

# 2024 Discussion Of Current Books On Epicurus

Post by "Kalosyni" of May 27, 2024 at 12:39 PM

## [Quote from Cassius](#)

one of the two best starting points for someone who wants to get an overview of the entire philosophy,

I recommend reading the Letter to Menoeceus and the [Principal Doctrines](#) as a starting point.

DeWitt is an "intermediate-advanced" level, and is good for the "non-academic philosophy student" (i.e. those who enjoy studying all aspects philosophy as a hobby).
