

Episode 227 - Cicero's OTNOTG - 02 - Velleius Begins His Attack On Traditional Views Of The Gods

Post by "Don" of June 11, 2024 at 6:58 PM

[Quote from Cassius](#)

doesn't some kind of operation have to be "hard-coded" within us to get that process going from maybe as far back as the moment of conception?

Maybe our individual capacity, but I would say it goes further back than that since other animals have the same or similar capacity.
