

Episode 227 - Cicero's OTNOTG - 02 - Velleius Begins His Attack On Traditional Views Of The Gods

Post by “kochiekoch” of June 12, 2024 at 5:31 PM

This might be a scientific description of the faculty of perceiving the gods:

[Columbia and Yale scientists just found the spiritual part of our brains \(qz.com\)](#)

Other innate preconceptions might work similarly in the brain.
