

Episode 234 - Cicero's OTNOTG - 09 - Dealing With Marcus Aurelius And The Canonical Basis For the Epicurean View Of Divinity

Post by “Cassius” of June 18, 2024 at 4:53 PM

I've set up a list of key citations relating to Canonics for easy access when we set the stage for Velleius' discussion of prolepsis. Not that they really answer any questions with certainty, but I think we if keep them in mind when we discuss what Velleius IS asserting we can eliminate a lot of confusion about what he is NOT asserting.

Now back to researching on Marcus Aurelius on gods/fate/divination. All contributions appreciated.
