

Philosophical Counseling - Article

Post by “Kalosyni” of June 27, 2024 at 10:33 AM

I just found this which mentions Epicurus at the start yet brings up other philosophers.

It is food for thought about about the role of philosophy:

Image not found or type unknown

[Existential doubts? Go see a philosopher instead of a psychologist](#)

Philosophical consultation has long operated in the shadows, aiming to resolve crucial dilemmas and foster life tolerance rather than treat mental health issues
