

Hidden Brain podcast: Suggested Episodes on the Gods & Religion

Post by “Godfrey” of June 29, 2024 at 11:46 PM

Personally, I'm chewing on the idea that the prolepsis comes from the infant-caregiver relationship, in addition to what you've stated. Blessed and incorruptible comes from reasoning out maximums in an infinite universe. But as I understand it, this isn't how Epicurus presented it.
