

The Absurdity of Absurdism (?)

Oh, [TauPhi](#) , [Little Rocker](#) , and [UnPaid Landlord](#) ... I am intrigued now! I read one of Camus' works (the Sisyphus one, of course) back in 2016 when I was looking for a philosophical direction (having given up the Buddhist direction... Although still seeing *some* positive notes in that btw) . I didn't *really* get Camus then although it helped me then ...But the video was very intriguing! I can see some Epicurean echoes... "The passion to pursue the joy of being for the sake of it..." And so on.

Well, if the video is accurate... color me absurdly curious.
