

The Absurdity of Absurdism (?)

Post by "Cassius" of July 5, 2024 at 12:49 PM

Lots of good material to discuss coming from this. We need a thread specifically on Sisyphus, so I will set that up.

Thread

[The Meaning Of the Story of Sisyphus](#)

In a companion thread we are mentioning Sisyphus, and this thread will be the place to explore that in more depth so we have a thread to cite in the future.

I know Lucretius mentions him but we need to start earlier to get the back story.
