

# Unpaid\_Landlord's personal outline

Post by “Kalosyni” of July 5, 2024 at 3:18 PM

[Quote from Kalosyni](#)

To be more clear, I would say no, that pleasures of the mind are not more important - they are equally important.

And something else to add...it is always contextual, so sometimes mental is more important and sometimes physical is more important. (I apologize for the disjointed reply).

[Cassius](#) could explain this better I think.
