

# Philosofy in Italy

**Post by “Cassius” of May 2, 2019 at 6:59 AM**

Ah I see! 😊 Maybe it would be helpful to add a link to the Italian version on your website, and that will help us see the original in the original context. So you'll put both Italian and English on your website? We can certainly point people to the translation here, with links, with pastes, or probably both!
