

Episode 242 - Cicero's OTNOTG 17 - Is Truth A Matter Of Logic?

Post by “Joshua” of August 18, 2024 at 11:50 AM

In [this](#) thread for Episode 226 I laid out my alternative to the Ontological argument. That is a work in progress, but in its current state it should be enough to call into question the validity of producing a being into nature *a priori*.
