

# I'm not going to translate this

Post by "michelepinto" of May 11, 2019 at 5:38 PM

[Quote from Cassius](#)

Interesting post even if you don't translate it! 😊 How do you mean "it is too much Italian?" Too long to translate, or too something else?

Basically is a new translation of De Rerum Natura in Italian, in the style of a great Italian poet. It is hard to read for me, that I'm Italian. And has no sense to translate a translation... So I imagine that book has not too much interest for who does not speak Italian.
