[Don](#), thanks. Another prejudice is that Epicureans friendship means to them to isolate with only some few friends from society.

But I understand friendship (Philia) in Epicureanism as a attitude / virtue like also Aristotles defines it.

[Philia - Wikipedia](#)

en.m.wikipedia.org

And it is a form of love. That would challenge Senecas quote where he mentions that the Stoic school is the most kind:

[https://modernstoicism.com/the-stoic-love...Clemency%203.3\).](https://modernstoicism.com/the-stoic-love...Clemency%203.3).)
