

Tetrapharmakos in Philodemus's On Choices and Rejections

Post by “Kalosyni” of October 4, 2024 at 9:09 AM

Thank you! [Don](#) for explaining the ancient Greek words used, very helpful.

Reason I was asking was that I thought that perhaps "terrible" was referring to "unnatural and unnecessary" - and that came out of my idea that "the pains from the unnatural and unnecessary are easy to avoid" - but looks like I was way off on that.

And as you are saying, **the correct translation is: "the terrible is easily endured".**
