

Why Does Stoicism Seem to Be More Popular Than Epicureanism, Especially In England?

Post by "Godfrey" of May 15, 2019 at 4:49 PM

There's an essay by Mark Walker, "A Life Worthy of the Gods: Towards A Neo-Epicurean Moral Psychology" in the pdf which can be downloaded from:

<http://collections.crest.ac.uk/15068/>

He discusses how EP could be linked with positive psychology, briefly comparing it to how Stoicism is linked to cognitive behavioral psychology. It's an interesting read that might be pertinent here.
