

Help - How To Locate "Log Out" Button

Post by "Cassius" of October 15, 2024 at 10:25 AM

[Quote from Cyrano](#)

My entire page was too large.

This is actually a very common problem and it often traps me. The software does a good job of adapting to different screen sizes, but I think the designers generally work from good-sized screens, and if you don't know what to look for, you might never realize that there is something lurking just off the visible edge of the screen.
